We are offering special discounted plans this fishing season, which extends from March 01 to Nov. 30, 2010. These plans apply to our offshore recreational fishing analyses along the U.S. East Coast, Bahamas, Gulf of Mexico, and Cabo San Lucas. With seasonal discount plans all analyses must be requested by Nov. 30, 2010. There is no carry-over of unused analyses unless we cannot provide the analysis.
